

St. Jude Medical

Your complete source for the treatment
of cardiac arrhythmias

St. Jude Medical is dedicated to developing products to diagnose, treat, and cure cardiac rhythm disorders. Our product portfolio includes sophisticated mapping and visualization systems, electrophysiology catheters, and rhythm control devices. The St. Jude Medical Irrigated Ablation System is an example of this dedication.

A Fully Integrated Ablation Solution

Product manufactured by Irvine Biomedical, Inc.,
a St. Jude Medical Company.
